Free Grocery Delivery For Seniors

The COVID-19 crisis has hit seniors in our community the hardest. That's why Affordable HomeCare is giving back to our community and helping our seniors get groceries delivered for free. With most grocery delivery services being book solid, we want to make sure the most vulnerable population can get the supplies they need without waiting or putting themselves at risk of COVID-19 exposure. If you or someone you know needs this service, please allow us to help you.
